

Ocean Safari....where the rainforest meets the reef!

Half Day - TURTLE TRIPPER ADVENTURE

Ocean Safari offers an exhilarating ride to snorkel the pristine untouched Great Barrier Reef off the Daintree Coast at Cape Tribulation. This half day eco tour visits two different snorkel destinations, each with an extraordinary array of marine life and coral species. After a fast 25 minute ride, guests are ready to snorkel two fabulous locations at Mackay and Undine Reefs. On most days, the rainforest can be seen along the mainland beach whilst snorkelling the Great Barrier Reef alongside sea turtles, which are found in abundance swimming over reefs full of colourful coral, along with myriads of tropical fish, eagle rays, giant clams and starfish.

The tour begins at Cape Tribulation beach where guests board the vessel bound for the tropical waters of the Great Barrier Reef. The Ocean Safari vessel takes a maximum of 25 passengers allowing guests to experience tropical paradise and the pleasure of a small group. The vessel is based on the original design of a rescue craft and is a rigid inflatable boat driven by 700hp engines. The experienced Skipper and Eco Host ensure the trip is filled with fun and appreciation of the Great Barrier Reef and the coastal rainforest of the Daintree, two world heritage areas side by side. Magical memories like these sometimes only happen once in a lifetime.

Courtesy pickups from Cape Tribulation accommodation are included and the Ocean Safari tour is proud to have Advanced Eco Accreditation.

The Ocean Safari check in office is also home to the Turtle Rock Café and Safari Lodge (previously known as Jungle Lodge). Turtle Rock Café offers freshly cooked wholesome meals, great coffee and tropical outdoor dining in a casual, friendly atmosphere.

Situated just 400 metres from the beach, Safari Lodge offers both Safari Huts and camp sites, as well as a swimming pool, camp kitchen, laundry and clean amenities in the tropical Cape Tribulation rainforest, and is the perfect base for exploring this famous region. Sleep in the jungle and enjoy the sounds of the rainforest at night, or rise early to experience the sunrise over beautiful Myall beach only minutes away.

Along with the Turtle Rock Cafe and the Safari Lodge, Ocean Safari offers a complete Cape Tribulation package, featuring onsite Cape Tribulation accommodation, dining and Great Barrier Reef tours.
